

Agenda:

Explain a little bit about the bestiary
Why it's important
Exercise later in the workshop

--

5 minutes: Who am I, how this got started, why is it interesting?

I'm not an expert in behavioral science or anything.

--

Caveat:

I don't not propose using farm animal names to describe people.
No animals were harmed in the development of this talk.
This is supposed to get you thinking about team behaviors and names.

This is a dolphin friendly talk.

Pigs and Chickens... A Story

Let's start a restaurant!

What would we call it?

Ham n' Eggs!

Story © Jeff Sutherland ☺

The Bestiary

Chicken

“I want to contribute but I can’t really help with the work”

Pig

“Leave me alone to get on with the project”

The Bestiary

Cow

“I can help, but only if I can find the time”

Fox

“I just need to ‘borrow’ this for my project. It’s more important”

The Bestiary

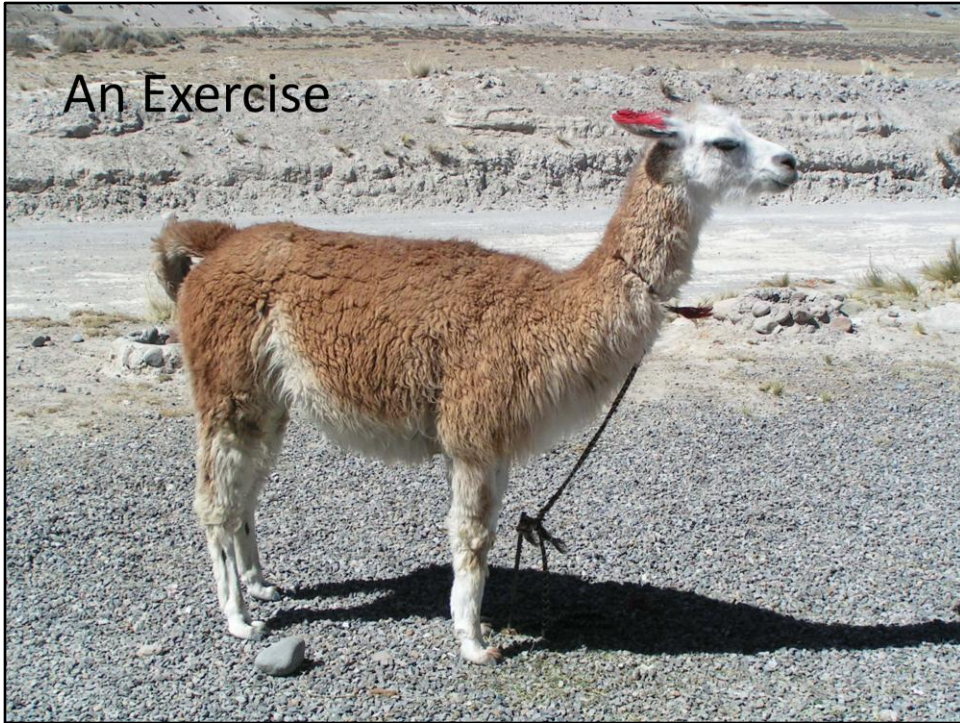

Rubber Duck

“I don’t want to be here”

Seagull

“You’re doing it all wrong... But I don’t have time to explain”

15 minutes

12 Minute Animals

- Break up into groups...
- Take a worksheet
- Discuss some behaviors you've seen
 - What's the behavior?
 - What drives that behavior?
 - How is it best addressed?
- Think of an animal that fits the behavior

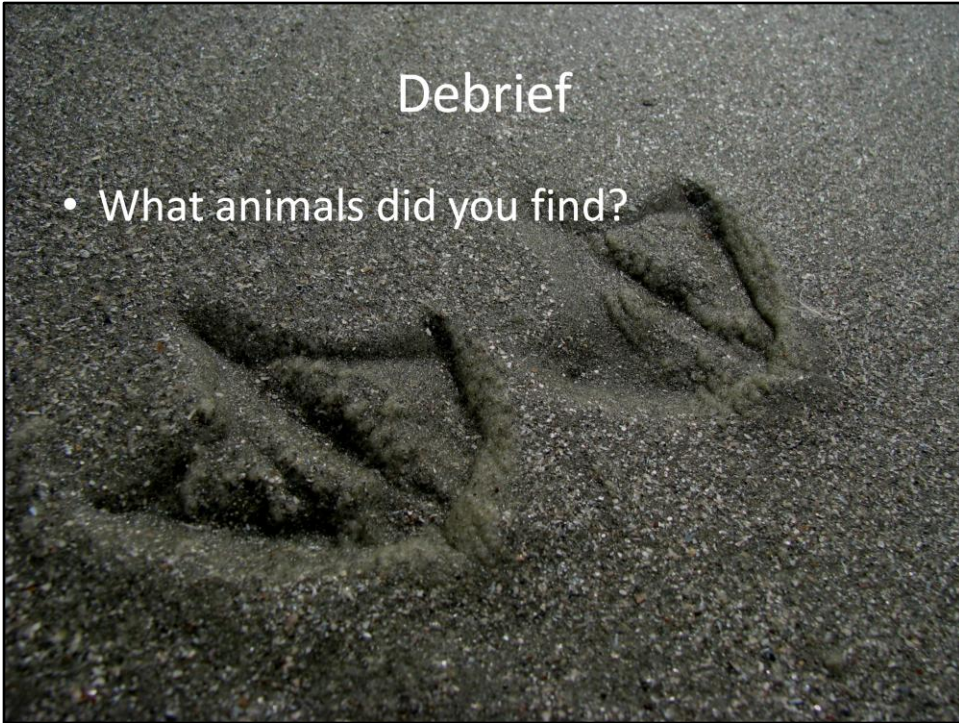

--

Photo Credit:
